Some jobs are just too tough for your average fast-talkin' high-tech gun-for-hire. Sometimes...to get the job done right...you need someone crazier than a sack'a ferrets. You need Wade Wilson. The Crimson Comedian. The Regeneratin' Degenerate. The Merc with a Mouth...

DEADPOOL

Deadpool has decided to take his mercenary hijinks to the big time and go intergalactic... literally. He's hit outer space in a big way, determined to prove he's the merc with the most to the entire universe. To that end, he's taken a seemingly impossible gig—taking out ***Ego the Selfish Moon***, a malicious sentient planetoid. The ***Ongulians*** who hired him came up with a plan involving a special drill and a nuke...and sacrificing an entire planet. Deadpool wouldn't allow that. Meanwhile, Pool's co-worker, ***Obb***, has feelings for Wade's space-wife, ***Orksa***... feelings that may drive him to extreme measures.
